ORDER

This Order addresses Defendant Thomas J. Moran's cross-motion for partial summary judgement against the Receiver [doc. 501] and Moran's motion for leave to file supplemental memorandum in support of this cross-motion [684]. For the reasons stated in a previous order of this court, *see* Order, January 22, 2013 [909], the Court denies Moran's cross-motion for partial summary judgement. The Court denies Moran's motion for leave as moot.

Signed July 8, 2014.
